Many can speak two languages, but few can translate accurately. And when you're translating legal documents, accuracy is imperative. That's why businesses turn to Intermark—the only translation company in the United States owned and operated by attorneys. Intermark connects clients and translators across the globe. And what makes the Intermark network work? FedEx. Because FedEx empowers small companies like Intermark to do business with the world. Call 1-800-Go-FedEx, (800)463-3338, or visit fedex.com **FedEx**. Be absolutely sure.™
